

We would like to welcome you to our studio. As a guest, you are invited to take advantage of our "Introductory Special", which consists of:

- **One Introductory Newcomer Group Class or Guest Party,**
- **Two 45-minute private dance lessons (single or couple), and**
- **One Weekend Social Dance (including group class before).**

Besides being a lot of fun, this Special is the best way for you to begin learning how to dance. The introductory offer has a value of approximately \$175. However, as a new student, you are invited to enroll for only **\$65**.

The two **private lessons** may be scheduled at your convenience, while the Introductory **Newcomer Class** is offered on Monday nights and the **Guest Party** is the 1st and 3rd Thursday nights. The **Social Dance** is every Saturday night. The dance offers a variety of music, enabling you to practice what you learn in class and private lessons.
